Greetings to all pond lovers.

It is that time of year again. We will be having our LPIA Annual Meeting on Sunday, May 28, from 1 - 3 PM at Jim Latimer's house (5 Camp Street, HV).

We will have a presentation on our pond quality, as well as all the other fun things we do during our annual meetings. This year our budget summary will include a special thank-you recognition to all those who contributed to our pond's "well-being" in 2022.

Did I mention - there will be food!

So please mark your calendars for this important meeting.

Now the "Sermon on the Amount":

- yes, it is time to pay your tax-deductible dues for 2023. We need your help to keep the pond sparkling and healthy for fishing, swimming, kayaking, paddle boarding, boating, and just looking beautiful.

\$250 per family per property on the pond is not too much considering what we get for it, a lovely pond for everyone to enjoy! Thanks in advance.

Please make checks payable to:

See you on May 28.
